Vehicle Classifications

Please note that it is ultimately the responsibility of the driver to correctly class their vehicle. MSCC has adopted SCCA Classifications and rules associated with those classifications with the exceptions listed below. Please refer to the **SCCA® National Solo® Rules** available online at www.SCCA.com for complete details. Copies of the rulebook are available at registration and with the Chief Tech Inspector to assist with classing. Please attempt to have all classing questions completed prior to getting in line at registration.

- 1) Stock classes are permitted only to run tires with tread wear ratings of 200 or above.
- 2) An SMST class has been added with former MSCC rules in place. Those rules are available in the 2016 MSCC Rulebook
- 3) No separate Ladies classes are offered. All Ladies must in the vehicles correct class.
- 4) Carts will follow guidelines set for the in the 2016 MSCC Rulebook

Please Proceed to Tech Inspection once registration is completed!

It is the responsibility of the driver to correctly class the vehicle. The tech inspectors are mainly concerned with safety. Before proceeding to tech, please verify the following:

- 1) Numbers and class are clearly visible on the vehicle
- 2) Brakes are in proper working order
- 3) No lug nuts or studs are missing
- 4) Battery must be secure
- 5) No visible leaks

Novices will be issued numbers in the 700 range.
